

CHUCK DUBERSTIEN FUND: GRANT PROPOSAL

The Chuck Duberstein Fund was established to honor Chef Chuck Duberstein CEC, AAC, a longtime member and one of the patriarchs of the ACF Midwest Chef's Chapter (now known as the ACF Minneapolis Chef's Chapter). Chef Chuck Duberstein was a true professional, competing in culinary competitions locally, nationally, and around the world, as well as mentoring younger culinarians in how to progress in their careers, competitions, and working at a high level.

The Chuck Duberstein Fund will support education through quarterly professional-level classes covering a wide range of topics such as protein fabrication, knife skills, soups and sauces, pastry skills including cake decorating, sugar and chocolate showpieces etc. Offering these classes will allow certified chefs to gain CEH hours to help in re-certification and expand student knowledge base. All are welcome to attend the classes, from the professional level to the enthusiast. The classes may have a nominal fee to cover expenses, and ACF members will be charged a lower fee. Any remaining monies will be used to support any chapter chefs seeking to compete in local, regional and national competitions.
